

Palazzo Muci

CIS LE07505242000021656

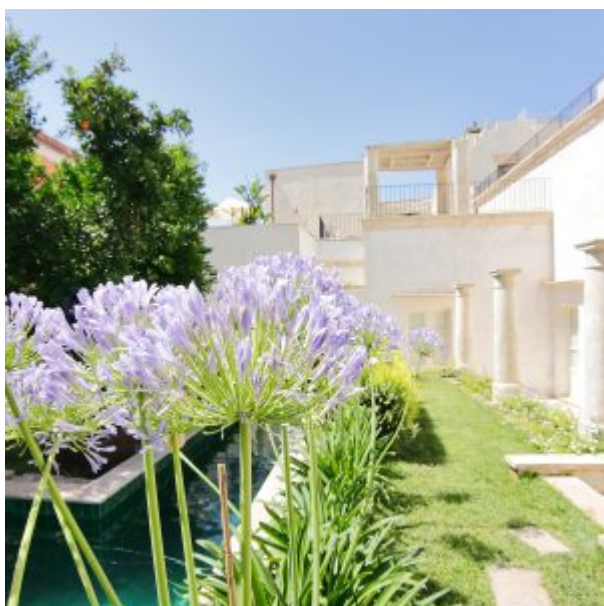

Wonderful historical building located in the historic center of the town of Nardò a few km from the wonderful beaches of the Ionian coast not far from Gallipoli and Porto Cesareo, Palazzo Muci has recently been totally renovated to become a charming residence that welcomes its guests in a modern and refined environment embellished with a contemporary art collection that characterizes each room of the residence with unique pieces.

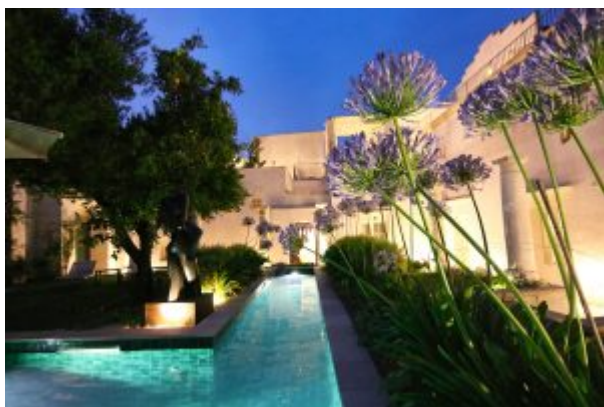

COMPOSITION (spread over 2 floors)

The Palace is divided into two floors and is composed of a total of 6 bedrooms each with its own en-suit bathroom, a living area, kitchen and dining room.

EXTERIORS

Upon entering, the courtyard of the building is characterized by a garden and an L-shaped swimming pool. The outdoor dining and relaxation area is set up on the second floor terrace.
